ADDENDUM #1

INVITATION FOR BID #15-81

CURBING REMOVAL AND INSTALLATION ALONG LAKE AVENUE

THE PURPOSE OF THIS ADDENDUM IS TO: MAKE CERTAIN AMENDMENTS TO THE BID DOCUMENTS AND ANSWER ONE QUESTION.

1. The scope of work on page 3 of Invitation For Bids 15-81 (IFB) is incorrect. From immediately after the paragraph regarding MassDOT eligibility to “SPECIAL CONSIDERATIONS” all text should be deleted and the following substituted therefor:

The proposed project involves the construction and repair of various sections of sidewalk along Lake Avenue in the city of Newton, Massachusetts. The scope of work to construct 10 new handicap ramps. The contractor shall also be asked to remove and dispose of 2000 linear feet of existing concrete curb and replace it with granite curbing. (See pp. 81-82 below.)

2. The City was asked to answer the following question:

Q1. We are on your bid list for past bids that were for “supply and delivery of granite curbing”. Bid #15-81 Curbing removal and installation along Lake Avenue is looking for F & I pricing. We are a supplier only. Can we amend the granite curb items on the list to read supply and deliver only?

A1. No. This project is for the purchase, delivery and installation of granite curbing while removing the existing concrete curbing. Contractors must be preapproved by MassDOT in order to qualify to be eligible to bid on this project.

All other terms and conditions of this bid remain unchanged.

PLEASE ENSURE THAT YOU ACKNOWLEDGE ALL ADDENDA ON YOUR BID FORM. FAILURE TO ACKNOWLEDGE ALL ADDENDA COULD RESULT IN REJECTION OF YOUR BID AS NONRESPONSIVE.

Thank you.
