The information on this map is from the Newton Geographic Information System (GIS). The City of Newton cannot guarantee the accuracy of this information. Each user of this map is responsible for determining its suitability for his or her intended purpose. City departments will not necessarily approve applications that are based solely on GIS data. Significant changes or errors in maps may occur after publication. For additional information, please contact the City's GIS department at (617) 334-3000 or visit the City's GIS website at http://www.newtonmas.gov/gis. Major revisions will be recorded regarding the source materials and methods used to create the digital data and will disclose the information upon request.
