Teens and adults are invited and encouraged to join action groups based on the October 2012 Newton Youth Summit.

The action groups are an opportunity for all to express their opinions and to push forward toward solutions to be discussed at Youth Summit II. Participation in these action groups is a great opportunity to have a positive impact on the well-being of youth in our city. The action groups are covering two pressing topics that emerged from the discussions at Youth Summit I. Join one group or both!

On March 20, 2013, Mayor Warren will host Youth Summit II from 6-9pm in the Brown Middle School Auditorium. The Youth Summits bring parents, teens and community members together to understand the challenges facing our teens, to provide an opportunity for teens to express their experiences, and to coalesce as a community to support teens.
