This week we have DRTs on the following addresses. Call the Planning Department and ask to speak with any land use planner if you would like additional information on any of these projects.

<b>Address</b>	<b>General Description of Project</b>
156 Highland St	Relocation of existing carriage house- existing location is nonconforming with setbacks. Relocation may trigger need for relief on FAR, setbacks. Applicant requesting earlier slot if cancellation. SR1 Ward 3
25 Paul St	Raze the existing industrial building at the rear of the property and construct a 3-unit dwelling per MRT MR2/MR2 Ward 6

Please note this list was compiled before these meetings take place and that projects may evolve over time. Cancellations do occur and the Planning Department is sometimes able to schedule another project in its place. Not every project has a DRT – DRTs are generally done only where some type of site plan review will likely be required.
