ADDENDUM #1
INVITATION FOR BID #26-24

SNOW PLOWING, SHOVELING, SALTING, ETC – ZONES A - F

THIS ADDENDUM IS TO ANSWER THE FOLLOWING QUESTIONS:

Q1. I have one clarification question. Can you bid on specific properties or do you have to bid on all properties in a zone?

A1. Contractors must bid on all properties in a zone.

Q2. Please provide the bid results for the previous bid #23-24 Snow Plowing.

A2. See Attached

Q3. Are the contractors guaranteed work on a storm from 2.1-4"?

A3. It depends on the weather. There are no guarantees with snow or ice. For example, if it snows 2.1 inches and there is no snow on pavement, we would not have contractors working. Another example, if it snows 2.1 inches and the next day temperatures are in the 50's or 60's, most likely we would not have contractors working.

Q4. Is the winning contractor responsible for loam and seed after the snow season?

A4. Yes, the contractor is responsible for both loaming and seeding after the snow season.

All other terms and conditions of the IFB remain unchanged.

PLEASE ENSURE THAT YOU ACKNOWLEDGE ALL ADDENDA ON YOUR BID FORM. FAILURE TO ACKNOWLEDGE ALL ADDENDA COULD RESULT IN REJECTION OF YOUR BID AS NONRESPONSIVE.

Thank you.
