

# Development Review Team (DRT) Meeting Snapshot

Week of December 8, 2025

This week we have DRTs on the following addresses. Call the Planning Department and ask to speak with any land use planner if you would like additional information on any of these projects.

<b>Address</b>	<b>General Description of Project</b>
104 Eldredge St	SP to further increase nonconforming FAR by adding an attached garage SR2 Ward 7
91-93 Newtonville Ave	SP to reconstruct and enlarge a dimensionally nonconforming two-family dwelling, FAR MR1 Ward 1

Please note this list was compiled before these meetings take place and that projects may evolve over time. Cancellations do occur and the Planning Department is sometimes able to schedule another project in its place. Not every project has a DRT – DRTs are generally done only where some type of site plan review will likely be required.
