

Development Review Team (DRT) Meeting Snapshot

Week of January 5, 2026

This week we have DRTs on the following addresses. Call the Planning Department and ask to speak with any land use planner if you would like additional information on any of these projects.

Address	General Description of Project
1100-1102 Beacon St	Revisit withdrawn special permit from last term for four townhouse style units to a live work proposal with four units and parking BU2 Ward 6

Please note this list was compiled before these meetings take place and that projects may evolve over time. Cancellations do occur and the Planning Department is sometimes able to schedule another project in its place. Not every project has a DRT – DRTs are generally done only where some type of site plan review will likely be required.
