

Development Review Team (DRT) Meeting Snapshot

Week of February 2, 2026

This week we have DRTs on the following addresses. Call the Planning Department and ask to speak with any land use planner if you would like additional information on any of these projects.

Address	General Description of Project
26 Maple Ave	Special permit to extend nonconforming front setbacks to reconstruct a historic front porch on a corner lot MR1 Ward 1
2 Rowe St	Special permit to allow a detached ADU with reduced setbacks. SR3 Ward 4

Please note this list was compiled before these meetings take place and that projects may evolve over time. Cancellations do occur and the Planning Department is sometimes able to schedule another project in its place. Not every project has a DRT – DRTs are generally done only where some type of site plan review will likely be required.
