

Development Review Team (DRT) Meeting Snapshot

Week of February 16, 2026

This week we have DRTs on the following addresses. Call the Planning Department and ask to speak with any land use planner if you would like additional information on any of these projects.

Address	General Description of Project
40 Cypress St	Adaptive Reuse (Site Plan Review) - subdivision of lot, relocation of existing three family home, and construction of 3 unit + 4 unit homes (3 buildings, 10 units) MRT/MR1, Ward 6
2 Executive Park Dr	Request to convert one of the office buildings at Newton Executive Center from office to medical with a parking waiver BU5/Ward 4
23 Winter St	Special permit for a detached ADU not meeting setbacks MR1 Ward 5

Please note this list was compiled before these meetings take place and that projects may evolve over time. Cancellations do occur and the Planning Department is sometimes able to schedule another project in its place. Not every project has a DRT – DRTs are generally done only where some type of site plan review will likely be required.
