

Development Review Team (DRT) Meeting Snapshot

Week of February 23, 2026

This week we have DRTs on the following addresses. Call the Planning Department and ask to speak with any land use planner if you would like additional information on any of these projects.

Address	General Description of Project
38 Morseland Ave	Addition to single-family which will exceed FAR SR2 Ward 2
191 Sumner St	4.5 story 20-unit multi family residential with underground parking VC3 Ward 6
43 Kenwood Ave	Single Family home. Relocation and reconstruction of series of existing and new retaining walls over four feet in height SR2 Ward 6

Please note this list was compiled before these meetings take place and that projects may evolve over time. Cancellations do occur and the Planning Department is sometimes able to schedule another project in its place. Not every project has a DRT – DRTs are generally done only where some type of site plan review will likely be required.
