

Development Review Team (DRT) Meeting Snapshot

Week of April 20, 2026

This week we have DRTs on the following addresses. Call the Planning Department and ask to speak with any land use planner if you would like additional information on any of these projects.

Address	General Description of Project
10-12 Bowers St	MRT project – subdivide the lot into two lots and build one three-unit building on each MRT Ward 2

Please note this list was compiled before these meetings take place and that projects may evolve over time. Cancellations do occur and the Planning Department is sometimes able to schedule another project in its place. Not every project has a DRT – DRTs are generally done only where some type of site plan review will likely be required.
