### SEASONAL CHRISTMAS TREE SALES APPROVAL:

Seasonal Christmas tree sales are authorized in Business Zoning districts **only!** This permit is limited in duration, and therefore the storage of inventory, sales and display of holiday / seasonal trees or products are allowed **only** between the date November the 17<sup>th</sup>, and December the 27<sup>th</sup> of any given year. This document **must** be signed by an Inspectional Services Department official; additionally, it **must** then be presented to the Newton Fire Department as evidence of this department's approval. The Newton Fire Department **may** then issue a certificate for the sale and storage of flammable products if that department deems it appropriate.

**Note:** **Both** documents, properly executed **must** be obtained before **any** storage or sales of holiday trees or decorations commence. Both documents **must** also be made available for inspection upon request at the authorized location.
