

# Development Review Team (DRT) Meeting Snapshot

Week of August 8, 2022

This week we have virtual DRTs on the following addresses. Please contact any land use planner at the Planning Department if you would like additional information on any of these projects.

<b>Address</b>	<b>General Description of Project</b>
98 Grant Avenue	Special Permit to extend nonconforming setback for a 2 car garage & retaining walls (SR1, Ward7)
157 Dudley Road	Special Permit for additional garage on property (SR1, Ward 8)
1355 Washington Street	Special Permit for a for-profit educational use (BU1, Ward 3)

Please note this list was compiled before these meetings will take place and that projects may evolve over time. Cancellations do occur and the Planning Department is sometimes able to schedule another project in its place. Not every project has a DRT – DRTs are generally done only where some type of site plan review will likely be required.
